

# Children's Health Home Care Management

Do you  
know a child...

with untreated health issues?

who bounces from doctor to doctor?

whose family needs help navigating and  
coordinating health services?

## Health Home Care Management gives families:

- ✓ A designated Care Manager
- ✓ Coordination of service needs for complex mental, behavioral, or physical health situations
- ✓ Creation of a comprehensive service plan
- ✓ Transportation assistance
- ✓ 24/7 Availability

All at **NO COST** to Medicaid eligible children 0-21

## Who can Refer?

- ✓ Parents
- ✓ Teachers and Counselors
- ✓ County Case Workers
- ✓ Anyone who thinks a child or their family may need assistance.

Care Managers will assist in the  
referral and application process.
